December 11, 2007

Rhode Island Emergency Operations Center

645 New London Avenue

Cranston, Rhode Island

10:00 a.m. – 2:00 p.m.

The Region 19 Public Safety Regional Planning Committee meetings are open to the public. All eligible public safety providers whose sole or principal purpose is to protect the safety of life, health, or property in Region 19 may utilize these frequencies. It is essential that public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's rules, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz and 4.9 GHz bands should plan to attend. For further information, interested parties may visit the Region 19 web page at www.ner700mhz.org or contact:
